Men's 160 Division:

4 players must have a
combined age of at
least 160 years!

1. Students may move up **one grade** to play tougher competition if you choose.
2. All Junior and Senior Boys will play "men's top-gun competition".
3. Co-Ed Teams must have at least 2 girls/women on the team.
4. Students choosing to play in both Co-Ed and their particular grade level **MAY DO SO**.
Times will not conflict. Co-Ed games will most likely be played on Sunday (morning or afternoon).
5. High School Teams won't play until after noon on Saturday or Sunday to avoid any conflicts with any other sporting commitments.
6. Juniors and Seniors, and Men and Women's divisions will only play Saturday afternoon/evening and possibly on Sunday mornings. We will do our best to not overlap those that play both Co-Ed and other divisions.
7. Student players do not have to be from the same school, allowing for a great opportunity to team up with that long-lost cousin or buddy from another school. Or, in the case of the women...get Mom to play and let her prove how awesome she is!!!
8. **ALSO THIS YEAR!!! A 3-Point Contest.** Your entry fee automatically makes you eligible to participate. A 30-second attempt to score as many 3's as you can from your choice of location outside the arc. Competition held at times posted on available courts, just show - you're included!
9. **UNIQUE UNIFORM CONTEST** - Certificates handed out throughout the tournament. Keep your designs safe, clean and tasteful! At least 12 teams will win!
