St. Patty's Three on Three Rules:

1. A scorekeeper/clock attendant will be provided. The referee has the final decision on all disputes. First possession will be determined by a coin flip.
2. **There will be one clock for all courts. Twenty-minute games or 21 points. The clock will stop with ten-minutes left and again when five-minutes remain in the game. These two time-outs will each be one-minute and thirty-seconds in length and result in alternating possession after each time-out.**
3. Substitutions are to be made on dead ball situations only.
4. No three point baskets for grades 2nd – 4th. Three seconds in the lane will be called.
5. On every **possession change** including a made basket, jump ball, ball out-of-bounds or violation, the ball must be **checked in appropriately by the defense** at the top of the three- point line. There will be **alternating possession on jump balls**. The ball remains live when the defense gains possession on a defensive rebound or steal the basketball and both feet must be outside of the three-point line.
6. As soon as the ball touches the offensive player it is a live ball that can be passed, dribbled or shot.
7. Only team fouls will be kept. One free throw will be awarded at 8 team fouls. Two free throws will be awarded at 12 team fouls. After a team foul, the non-fouling team will be awarded possession. There will be no rebounding on free throws. A foul and made basket prior to 8 team fouls the ball will be awarded to the fouling team because of change of possession after a made basket.
8. The referee will remove any player who is fouling excessively, without warning.
9. No stalling allowed. Change of possession will be called if a team is trying to stall.
10. **If a game is tied after twenty-minutes, each player will shoot a free throw to determine a winner. (best out of 4). If still tied, alternating players will shoot a free throw until the tie no longer exists.**

Pool tie breakers: 1st head to head,
 2nd defensive points allowed
 3rd Coin Toss.
