Dear Wrightstown Full-Court Club players and parents:

Congratulations to all of our WFCC teams and players that played this season! All of our teams experienced success and growth and I would like to extend gratitude to all of our youth coaches for making this happen!

Although the WFCC seasons are concluding, the basketball season does not end now. There are more opportunities for your child to play and improve her overall basketball skills this off-season. I hope to see you all at our **WFCC sponsored 3 on 3 tournament this April 18-19**. Brochures are on the WFCC website and teams are forming quickly. Numerous 3 on 3 tournaments are also listed on our website. Two local tournaments that are always run well are Reedsville and Valders. It is my hope that all our WFCC players take advantage of our District's summer school program and Tiger Camp. Please check out and utilize our WFCC website at www.wfcchoops.com for updated information regarding the WFCC and other basketball related opportunities.

SUMMER SCHOOL:

I am teaching the 3rd/4th grade, 5th/6th grade, and 7th/8th grade girls' basketball summer school courses our District offers. I hope to see your daughter sign up for these courses! These courses are high energy and are a perfect blend of fundamental development and game strategies. Dates of summer school are June 10 to June 30.

TIGER CAMP:

Tiger Camp dates are June 15th-June 18th and your daughter will receive the brochure in her take home folder OR she can also pick one up at school. The brochure will also be uploaded to the WFCC website very soon.

15,000 SHOT CLUB:

Congrats to the following players: **Brittany Do-McKenzie, Mariah Gussert, Hailey Johnson, Taylor Falck, Meghan Lamers, Megan Hansen, Allison Hansen, Marissa DeCleene, Amanda Nennig and Danielle Nennig.**

These players filled out the proper paperwork to prove that they completed the 15,000 Shot Club requirements from last off-season. By doing so, their names will be added to a new plaque in the HS trophy case and they have already received a t-shirt. Your daughter will receive more information on this shot club in summer school courses for this current off-season. It is an excellent way to track your off-season shooting and earn an extra reward for an awesome effort!

OPEN GYMS AT HIGH SCHOOL:

Our High School staff will be supervising open gyms throughout the spring, summer, and fall. Please check our website for updated open gym schedules. Hope to see your daughter at the many open gyms that we offer working on her game.
