What is Shooting League

Shooting league is designed to focus on and improve one specific aspect of basketball, SHOOTING. Teams will compete head to head in a series of shooting games to determine who has the best shooting team in the age division.

Where is King of Courts Shooting League?

*Athletes will meet at **Valders High School Gymnasium**

The first games will begin at 8 AM *schedules will be emailed to coaches

How much does King of Courts Shooting League Cost?

\$60 per team.

Where will the athletes be shooting from?

The shooting games will have different appropriate distances depending upon the grade level of the participants. Note: Younger Athletes will be shooting closer than older.

What makes Shooting League special?

1. **Each team is guaranteed 4 games.** This ensures the opportunity for all individuals to shoot literally 1000's of shots in a competitive environment.

2. **The value of shooting.** The 3 point line has revolutionized basketball and has become the great equalizer. If you can shoot, you bring value to your team.

3. As far as we know, it's the only competitive shooting league in the area.

Game Rules:

1. 3 players to a team
2. The game is broken into two rounds. Each round consists of 5 Spot Shooting and Free Throws. All Shooting Games will begin at the same time.
3. Both Teams will shoot in each round, however they will alternate shooting.
 - a. Round 1: Team A-5 spot, free throws
 - b. Round 1: Team B-5 Spot shooting, Free throws
 - c. Round 2: Team A-5 Spot Shooting, Free Throws
 - d. Round 2: Team B-5 Spot Shooting, Free Throws.
4. After each team has completed both rounds, total scores will be added up and reported to the scoring table.

Coaches

Each team must have an ADULT coach. The coach will be responsible for ensuring his/her team follows the rules and will be responsible for counting the baskets of the opposing team. Coaches will be assigned to the coach's box at their basket and will count from that position.

*ex: If teams A and B are competing, Coach B will count while Team A is shooting. Coach A will count while Team B is shooting.

Players shooting should count out loud to ensure there is no confusion.

5 Spot Shooting

3 players 2 balls

1. Players form a line at the spot marked 1
2. 1st player shoots, gets rebound & passes to next man in line without a ball
3. Team keeps track of how many made at the spot, once the team has made 8 at a spot they will move to the next shooting spot.
4. They will continue to move to the next spot until reaching the top of the key, at this point they will remain
5. **Every make is worth 1 point**
 - a. Shooting team count out loud to ensure no counting errors.
6. 5 spot shooting lasts for 4 minutes.

Free Throws:

- a. Free Throws will be shot immediately after the frames.
- b. Each player will **only shoot 2** free throws and rotate.
- c. Teammates will rebound for each other
- d. Teams have 1 minute to complete 6 free throw. The clock will start immediately after 5 spot shooting.
